

Lalique Museum

Pays de la Petite Pierre

Attribution : Le Musée Lalique (R.Letscher)

The museum containing the works of René Lalique and his successors!

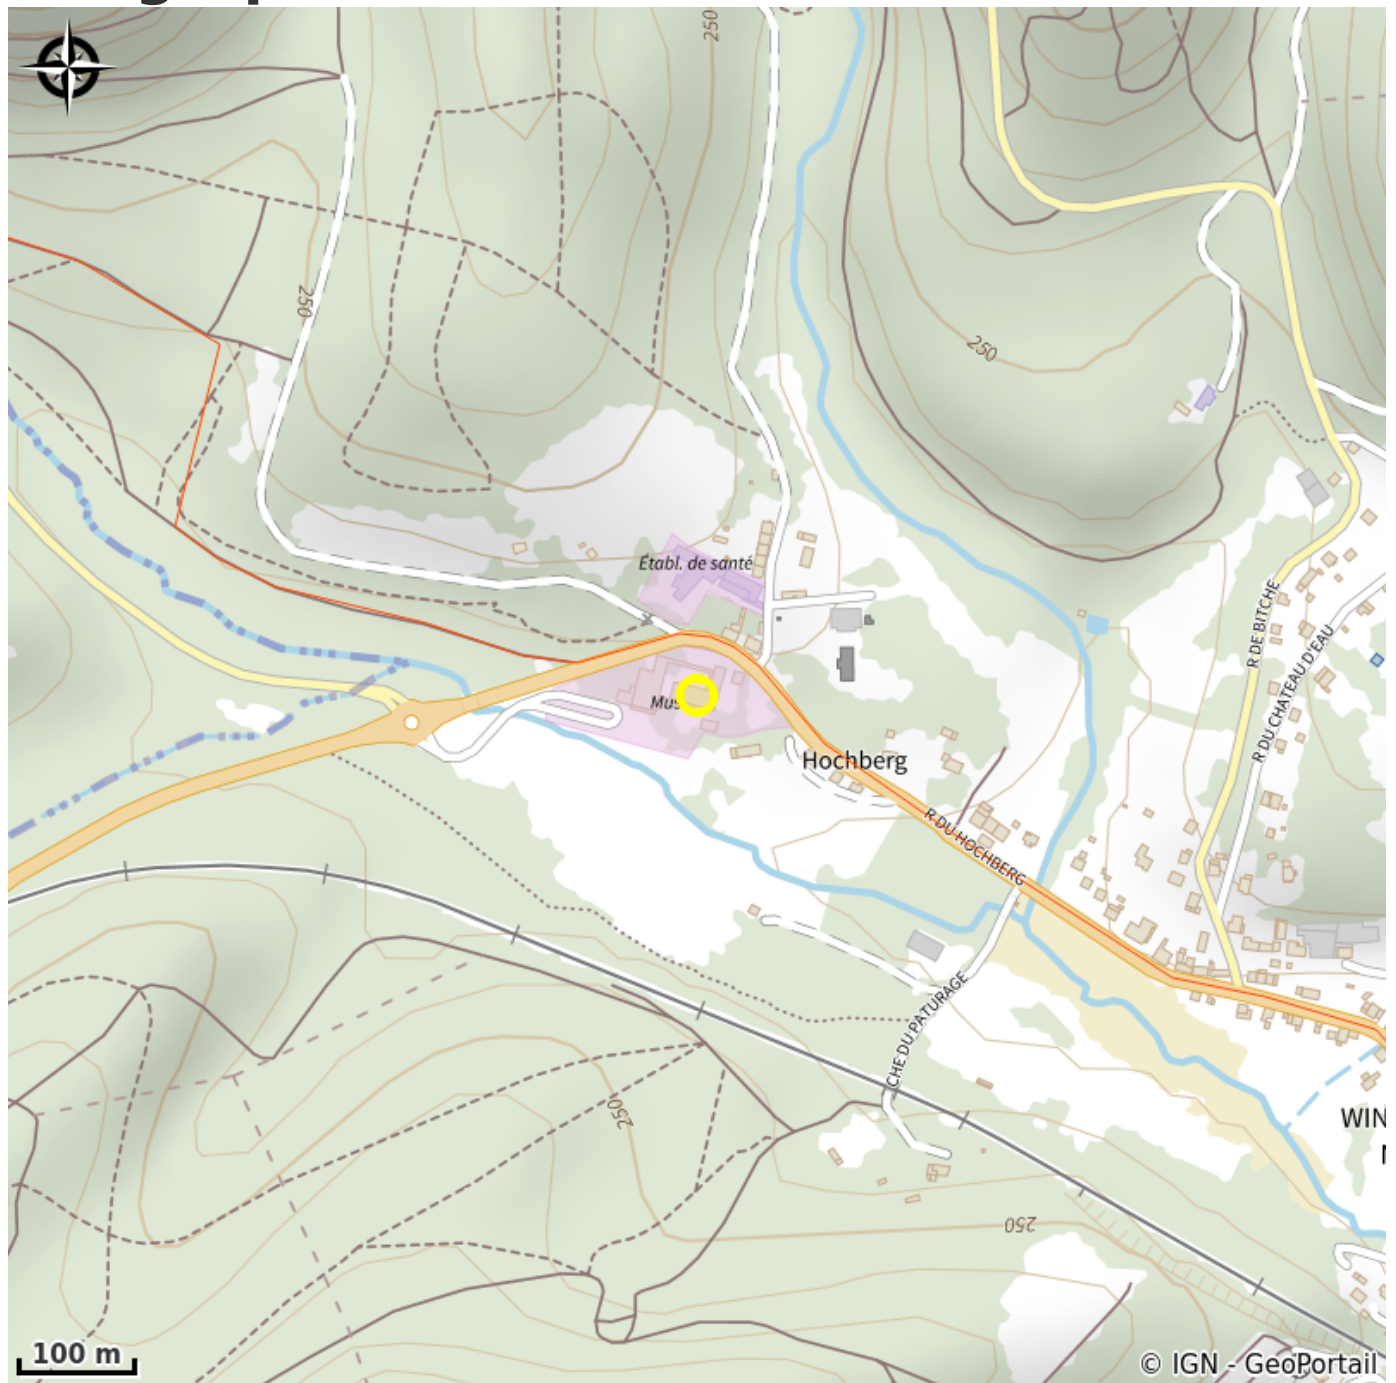

Useful information

Category : Museum

Description

Opened in July 2011 on the Hochberg glassmaking site, in a complex combining gardens, old and contemporary buildings, this museum presents more than 650 works, classified thematically (jewelry, perfume bottles, crystal, glass ...) and chronologically, allowing to trace the career of René Lalique and his successors. It has a store, restaurant, auditorium and checkroom.

Geographical location
