

Donnenbach lake loop

Pays de la Petite Pierre - La Petite-Pierre

Étang du Donnenbach (R.Letscher)

This forest circuit makes it possible to discover the Donnenbach lake, a calm and soothing place to forget the tumult of city life!

In the heart of the Regional Natural Park of the Northern Vosges, the Donnenbach pond was first created for fish farming before being used for the sawmill and the mill in the 18th century. Today, the site is home to the House of Water and River.

[On the edge of the Donnenbach pond, the House of Water and River \(M.E.R.\) is unique in its location between water and forests but also in its HQE \(high environmental quality\) design. It invites you to discover the riches of the Regional Natural Park of Vosges du Nord. By the originality of its architecture, open to life, the M.E.R. is a house that makes you feel the beauty of nature and makes you want to live the world differently.](#)
