## A detailed topographic map of the Dornach area in Switzerland. The map shows a network of roads, including the main road RTD DE WIMMERAU running diagonally from the top left towards the bottom right. Other roads include RTE DE BITCHE, R BELLEVUE, R DES AUBERGES, R DE LA PETITE PIERRE, R DES LILAS, R DU STADE, R DES ROSES, R DU GYMNASSE, R DES BAUMEUX, R DE WEINBOURG, R DES TANNERES, R DES CHARPENTERS, R DE ROTMACH, and CHE D'ORFVILLER. Water features include the le Henkerbach river flowing through the center-right, the Ruisseau le Mittelbach flowing horizontally across the middle, and the Kandelgraben stream. Green areas represent forests or parks, while yellowish-brown areas indicate built-up zones. Buildings are shown as small brown rectangles. A compass rose is located in the top left corner, and a scale bar indicating 100 meters is at the bottom left. The map is sourced from Plan IGN V2, as indicated by the copyright notice at the bottom right.
