This is a detailed topographic map of the Dornach area in Switzerland. The map shows the Rhine river (le Rhodan) flowing through the landscape. Several roads are depicted, including the main road (RD 100) and various local roads like RD 101, RD 102, and RD 103. Buildings are shown as small brown rectangles, and green areas represent forests or parks. A yellow circle marks the location of the 'Eglise de Dornach' (Church of Dornach). The map also includes a scale bar (0 to 100 meters) and a north arrow.
