Description

ROBINET EXTERIEUR

Robinet d'eau du réseau à gauche de la porte d'entrée

This is a detailed topographic map of the village of Weiterswiler in Switzerland. The map shows the village layout with numerous buildings, roads, and green spaces. Key features include:

- Location:** The village is situated in a valley, with surrounding hills and mountains visible in the background.
- Topography:** The map uses brown contour lines to indicate elevation. Notable peaks include Hassenbuehl (244m) and Reitelberg (252m).
- Water Features:** A blue line represents a stream or small river flowing through the village. A larger body of water, likely a lake or reservoir, is visible in the upper left.
- Infrastructure:**
 - Roads:** The map shows a network of roads, including the main road (RTE DE WEINBOURG) and several local roads (R DES ROSES, R DES VIGNES, R DES PRES, etc.).
 - Public Transport:** A yellow circle marks the location of the 'St. Pomp.' (St. Pompey) bus stop.
 - Landmarks:** The 'St. Pomp.' church is marked with a blue square. The 'Éc.' (Eglise) is marked with a pink square.
- Scale and Orientation:** A scale bar at the bottom left indicates a distance of 100 meters. A compass rose is located in the top left corner.

The map is sourced from the IGN (Institut National de l'Information Géographique) and is part of the IGN V2 series. The map is titled 'Carte © IGN/Geoportail'.
