Catégorie : Haltes Gourde

Description

Différents points d'eau potable : parc du mini-golf, place du Bureau Central, avenue Foch

This topographic map shows the area around Niederbronn-les-Bains. The Moselle river flows through the center. To the north is the town of Montrouge, and to the south is Cité Guirsberg. Key landmarks include the E.P.C.I., Poste, and thermal establishment (Etabl. thermal) near the river. The map also shows various roads, including the Rte de France, and a scale bar indicating 100 meters.
