Description

Différents points d'eau potable : parc du mini-golf, place du Bureau Central, avenue Foch

This is a detailed topographic map of the Niederbronn-les-Bains area. The map shows the Moselle river flowing through the region, with several towns and villages labeled, including Montrouge, Niederbronn-les-Bains, and Cité Guirsberg. Key landmarks such as the thermal station (Etabl. thermal), the Falkensteinbach, and the thermal station (Etabl. de santé) are marked. The map also shows various roads, including the Rte de France, and a scale bar indicating 100 meters. A compass rose is located in the top left corner, and the copyright notice for IGN/Geoportail is visible in the bottom right corner.
