This topographic map shows the area around Gichwiller. The Hengelbach river flows through the landscape, with tributaries like le Ruisseau le Mittelbach and le Kandelgraben. A network of roads is shown, including the RTE DE WINNEMAU, RTE DE BITCHE, and several local roads (R) such as R DES AUBERGES, R DES BLANCHISSEURS, R DES TANNERES, and R DES CHARPENTIERES. A yellow circle highlights a specific location near the intersection of R DES BLANCHISSEURS and R DES AUBERGES. The map also shows various buildings, including a church (Gichwillerkirch) and a school (Ec.). A scale bar indicates 100 meters, and a compass rose is present in the top left corner.
