A detailed topographic map of the Rostei area in France. The map shows a network of roads, including the main road R DE LA PRINCIPALE and several smaller roads like R DU MUGUET and R DES ANEMONES. A river, la Moder, flows through the landscape, with a tributary Ruisseau de Rosteig visible. Key locations include a school (Éc.), a collection site (Coll.), and a camping area. The terrain is depicted with brown contour lines indicating elevation, with labels such as 250 and 311 meters. A compass rose is located in the top left corner, and a scale bar for 100 meters is at the bottom left. The map is sourced from IGN/Geoportail.
